Present Perfect Continuous

Continuous vs Simple — المستمر مقابل التام البسيط

Level 3 — vs Perfect Simple

Name: _____ Date: _____

1 Definition · التعريف

نختار حسب التركيز: المستمر يركّز على النشاط ومدّته (how long)؛ والتام البسيط على النتيجة/الكمية (how many/how much).

Continuous = the activity & its duration; simple = the result / quantity.

have been + V-ing (activity) | have + V3 (result)

2 Key Facts · حقائق أساسية

★ PPC: النشاط/المدة — قد لا يكون مكتملًا (I have been reading this book).

PPC: the activity/duration — maybe not finished (I have been reading this book).

★ PP Simple: النتيجة/العدد (I have read three books).

PP simple: the result/number (I have read three books).

★ الأفعال الساكنة (know, like, be, have) ← بسيط فقط، لا مستمر.

Stative verbs (know, like, be) use the simple, not the continuous.
